Venue: To be confirmed

This Special General Meeting has been convened in accordance with the Bye Laws of the British Crown Green Bowling Association (Unincorporated Association).

Lisa Graham, Managing Director of the Bowls Development Alliance (BDA), will support the running and facilitation of the Special General Meeting. The BDA is a partnership organisation established by the sport's National Governing Bodies to support the sustainable growth and development of bowls, promote collaborative working across the sport, and share good practice.

Purpose of the meeting

The meeting has been convened following written requests received from representatives of the:

The purpose of the Special General Meeting is to consider the business formally submitted by the requesting Counties. The Special General Meeting will commence at 10:00am. The beginning and conclusion of the formal meeting will be clearly announced and separately recorded.

Only business properly notified to Members in advance of the meeting and in accordance with the Association's Bye Laws will be considered. No substantive resolution or new item of constitutional business will be introduced for the first time on the day of the meeting.

Further information regarding venue, representation, voting arrangements, registration and the practical arrangements for the meeting will be circulated separately.
